MEMORANDUM FOR JEFFREY D. FEIT

MANAGER
DOE TECHNICAL STANDARDS PROGRAM
OFFICE OF NUCLEAR SAFETY
OFFICE OF ENVIRONMENT, HEALTH, SAFETY
AND SECURITY

FROM: KAREN L. BOARDMAN
CHAIR
FEDERAL TECHNICAL CAPABILITY PANEL

SUBJECT: Cancellation and Archival of Five (5) Department of
Energy Functional Area Qualification Standards

The Department of Energy (DOE), Office of Enterprise Assessments National Training Center, on behalf of the DOE Federal Technical Capabilities Panel (FTCP), officially requests cancellation and archival of the following list of five (5) Qualification Standards. The FTCP Agents provided concurrence for the cancellation and archival of these 5 qualification standards using the FTCP workflow within the Technical Standards Program RevCom. This action is part of a comprehensive plan being managed by the FTCP to streamline and improve the overall qualification process for personnel in the DOE Technical Qualification Program.

1. DOE-STD-1165, CN 1, 2010, *Aviation Manager Functional Area Qualification Standard*
2. DOE-STD-1164, CN 1, 2010, *Aviation Safety Officer Functional Area Qualification Standard*
3. DOE-STD-1123-2009, *Safeguards and Security General Technical Base Qualification Standard*
4. DOE-STD-1171-2009, *Safeguards and Security Functional Area Qualification Standard*
5. DOE-STD-1025-2008, *Weapons Quality Assurance Qualification Standard*

If you have any questions or concerns, you may contact me at (505) 845-6444. The point of contact is Albert MacDougall of the DOE National Training Center. Mr. MacDougall is the overall lead for the Technical Qualification Program's revitalization effort that resulted in the recommendation to cancel. Mr. MacDougall may be reached at (505) 845-5549, or via email to amacdougall@ntc.doe.gov.
