Dear Mr. Williams:

Please find enclosed a Department of Energy (DOE) Reaffirmation, with Errata, of DOE-STD-1128-98, Guide for Occupational Radiological Protection in Plutonium Facilities (Enclosure 1), which has been approved by Mr. Rick C. Jones. Mr. Jones' memorandum dated April 28, 2003 (Enclosure 2) documents this action. Also enclosed is a disk for the Reaffirmation.

After reviewing the DOE Reaffirmation for standards program consistency, I am approving it for indexing, printing, and distribution. Please take the necessary action to have the enclosed technical standard finalized in accordance with established procedures.

If you have any questions, please contact me at (301) 903-1488.

Sincerely,

A handwritten signature in black ink that reads "George E. Detsis".
