MEMORANDUM FOR JEFFREY D. FEIT

PROGRAM MANAGER
DOE TECHNICAL STANDARDS PROGRAM
OFFICE OF NUCLEAR SAFETY

FROM:

KEVIN L. DRESSMAN 
DIRECTOR
OFFICE OF HEALTH AND SAFETY
OFFICE OF ENVIRONMENT, HEALTH, SAFETY AND
SECURITY

SUBJECT:

Reaffirmation of Department of Energy Standard 1121-2008,
Internal Dosimetry

The Department of Energy Standard 1121-2008, *Internal Dosimetry*, is approved for reaffirmation after all phases of coordination in RevCom for the Technical Standards Program.

In keeping with the Office of Environment, Health, Safety and Security (EHSS) policy, this draft standard has been reviewed by the appropriate EHSS organizations. An electronic copy of the draft subject Standard is being provided concurrently with this memorandum.

For more information, please contact James Dillard at (301) 903-1165 or e-mail james.dillard@hq.doe.gov.
